### What is a Tariff?

A tariff is the charge made for a utility supply and is normally composed of both a unit charge and one or more fixed or availability charges.

You can find more details about how tariffs are calculated at <https://mysycous.com/help-and-support>, including videos on how heat networks and and heat meters work.

## Your consumption details

## How to pay?

PayPoint

### In-Store:

You can make a cash payment at any PayPoint outlet in the UK, just take any mySycous statement with a barcode to make your payment.

### Set up a Direct Debit:

**0333 880 3115**

Please note: Direct Debits can only be taken at least ten days after they are first set up. Please bear this in mind when clearing your overdue balance.

### Online: [mysycous.com](https://mysycous.com)

Login or register to your online account at [mysycous.com/online](https://mysycous.com/online) and click to make a payment.

### App: mySycous

You can also make an online payment to your account via the mySycous app. Simply login or register your account on the mySycous app and tap the payments tab.

### Telephone: **0333 880 3115**

You can call to make a payment 24/7 through our automated service using a UK credit or debit card.

## Help to pay?

If you are struggling to pay your utility or heating bills the solution isn't to be cold or switch off essential utility supplies. In the first instance, please get in touch, we can help you set-up payment plans to manage your outstanding debt and provide useful help and support.

It is worth remembering we are not your utility supplier but provide an administration service on behalf of your utility supplier. This means we are not responsible for setting tariffs and other costs. You can find out more at [mysycous.com](https://mysycous.com).

If you are struggling with managing your finances there are a number of organisations who can help, including the **Money Advice Service** ([moneyadviceservice.org.uk](https://moneyadviceservice.org.uk)) and for general support you can contact **Citizens Advice** on **0808 223 1133** or visit [citizensadvice.org.uk](https://citizensadvice.org.uk).

## Want to make a complaint?

We're sorry to hear that. We recognise that we do make mistakes and we want to do everything we can to sort it out, and to improve our service to you.

You can make a complaint by Getting in Touch with our team at **0333 880 3115**, or email us at [hello@mysycous.com](mailto:hello@mysycous.com). Our support team will manage your complaint in line with our complaint process that you can find at [mysycous.com/want-to-make-a-complaint](https://mysycous.com/want-to-make-a-complaint).

## Energy efficiency advice

You can get independent energy saving advice from a number of independent sources, including Simple Energy Advice ([www.simpleenergyadvice.org.uk](https://www.simpleenergyadvice.org.uk)) and the Energy Saving Trust ([energysavingtrust.org.uk](https://energysavingtrust.org.uk)). Find out more about Energy Efficiency [mysycous.com/help-and-support/energy-saving-advice](https://mysycous.com/help-and-support/energy-saving-advice).

## Register your online account!
